Walk Safely to School Day

On Friday 14 May, Warnbro CHS participated in National Walk Safely to School Day. We had fruit available for students to take as they entered the gates and our student leaders handed out stickers.

PRINCIPALS MESSAGE

Welcome parents, carers, students and our extended community to our Term 2 Bulletin.

As I write this, Term 2 is well underway and winter is certainly upon us. Each morning many staff and I meet and greet our students as they enter our school. Suddenly it has turned cold and we rugged up for Winter at Warnbro for one of our Wednesdays at Warnbro. Wednesdays are a bit special at Warnbro, not only do we focus on a weekly gate theme, but we also acknowledge our Weekly Learning Legends. Each Wednesday we ask staff to identify one student from their class who has displayed the 3Bs - Be Your Best, Be Respectful and Be Responsible, as well as a student who has been totally committed to their learning for the week. Feedback from our students is that they look forward to Wednesdays at Warnbro!

Over the last 8 months I have been working behind the scenes to set up The Duke of Edinburgh Award here at Warnbro. This Award is a 'youth development program which empowers young Australians aged 14-24 to explore their full potential and find their purpose, passion and place in the world regardless of their location or circumstance.' - Dukeofed.com.au. We have been very fortunate to have secured sponsorship for our students' participation as well as additional project funding. This year the Award is targeted specifically towards CASP (Creative Arts Specialist Program) students as the special project is a large scale mural which will be completed on our school site and at Port Kennedy Primary School. I would like to thank Mrs Claire Bamford for accepting the school Leadership role and for the support our students and school has received from Sean Moring, Program and Engagement Officer for the Duke of Edinburgh's International Award, as well as Katie Smith, CEO, who approached us with a sponsorship and funding opportunity. I am excited that we have been able to commence this program and I look forward to expanding the number of participants in 2022.

Our whole school improvement journey with Fogarty EDvance is in its third and final year. We are also coming to the end of our Business Plan and will be preparing for a new cycle of planning. We are very fortunate that our School Review takes place in Term 4 and this will give us the opportunity to share our journey with the School Review team. We will then receive feedback which will further inform our planning and direction.

It is a very busy time of the year for our senior students. They are now officially in their second semester of the year. The Year 11 and 12 ATAR students have sat their first round of ATAR exams over the last few weeks. Our Year 10 cohort have had information around course counselling, subject selections for 2022 as well as a parent information session where Head of Learning Areas and Teachers in Charge provided information about the subjects that are on offer. Year 10 students and their parents/carers will be attending an individual course counselling session later in the term where they will be supported to choose a suite of subjects for 2022. We will have a group of 10 counsellors who over a two-week period will provide the support and guidance to inform decision making.

Teachers are currently finalising marking and in the process of report writing. Early next term we will have our report afternoon/evening where you will be able to meet with individual teachers to discuss your child's progress to date. Information will be provided early next term regarding how to book appointments online.

If you have any questions or would like to catch up, then please don't hesitate to give me a call. I wish you all the best for a wonderful midyear break and we will welcome students back on Tuesday 20 July 2021. Until then be safe and take care.

Cindy

ANZAC DAY | 25 APRIL

This year's ANZAC Day marked the centenary of the Royal Australian Air Force. Our Year 9 students ensured the ceremony ran smoothly as we reflected on those who had sacrificed their lives in the tragedy that is war. Ms Kerr, WCHS Principal, and Ms Mangano, ESC Principal, addressed the audience, as did a number of guest speakers, including The Honourable Paul Papalia CSC MLA.

One of our students read a poem remembering the fallen at Gallipoli, and another student gave a speech on the history of the Royal Australian Air Force. Our ceremony was attended by representatives of the Royal Australian Navy, including Chief Petty Officer, Trevor Walters, who shared his reflections with us and then he and his daughter, Charlotte, placed a wreath down as did many other distinguished guests. This year's ceremony was made extra special due to Leading Seaman Musician Kirsten Robinson, who not only sang the Australian and New Zealand national anthems but led the guests into the ceremony with her drumming, accompanied by bugler, Petty Officer Musician, Nigel Barratt.

Our ANZAC ceremony at Warnbro CHS is always due to the collaboration and hard work of many members of staff. This year, unfortunately, was the last ceremony for our Defence Chaplain, Teresa Millard, who, over the years, has shared her knowledge and worked tirelessly to ensure this important occasion is always moving, respectful and informative. Thank you, Teresa, you will be missed.

National
Reconciliation
Week 2021

27 May – 3 June
#MoreThanAWord
#NRW2021

Warnbro CHS supported National Sorry Day and National Reconciliation Week 2021.

The 2021 National Reconciliation Week theme, 'More than a word. Reconciliation takes action', urges the Reconciliation movement towards braver and more impactful action.

Our Moorditj Yorga's and Deadly Marmun's created a National Sorry Day canvas print using paint, and our Warnbro Wednesdays were themed around the week.

WARNBRO WEDNESDAYS

Our Term 2 Warnbro Wednesdays -
Funky Socks, Factions, National Sorry Day, National Reconciliation Week, Winter Warmers.

Welcome to Warnbro Community High School!

At the start of the year, we welcomed some new faces to Warnbro Community High School! We got to know them, learned about their area of expertise and how students work within their class.

EVA ARULNAMBY | ARTS

Hi, my name is Eva Arulnamby, I'm a first-year teacher. I enjoy cycling, creating art, and hunting out new coffee spots around Perth.

What subject do you teach at WCHS and what do you enjoy about it?

I currently teach Visual Art and Media; I like demonstrating new art techniques to students and watching as they enjoy the art-making process for themselves.

How have you settled into the school and what aspects have you enjoyed?

I feel I have settled into Warnbro really well; I enjoy getting to know the students and their many different personalities. I particularly love running the after-school art club, where there is no curriculum and students can come and create art in a relaxed environment.

What challenges do your students face in your classes and how do they overcome them?

The main challenge for my students is their level of self-efficacy and perseverance, I often need to encourage them to keep trying and show them that they can create beautiful work.

I appreciate that in our modern world, we are creating time in the curriculum to teach students how to view and represent beauty in the world around them. I believe that it is an important part of growing up and that students will carry what they have learned beyond school and into their future.

ROZANNE WILLIAMS | ENGLISH

My name is Rozanne Williams, I live in Willetton with my husband and daughter, Claire. I went into teaching after a career in journalism, marketing and web design. I'm from South Africa and have lived in Australia for almost 15 years.

What subject do you teach at WCHS and what do you enjoy about it?

I teach English to Years 7, 8 and 9 and HaSS to Year 7 EDI students. My greatest joy in teaching English is helping students be able to communicate more clearly and to appreciate the written word.

How have you settled into the school and what aspects have you enjoyed?

The staff at Warnbro have been incredibly welcoming and I have settled in much faster than I thought. I love the strong collegiate atmosphere and how everyone is always willing to help out!

What challenges do your students face in your classes and how do they overcome them?

The biggest challenge my students face is remembering their pens and books (just kidding). I think that it would be having enough time to express themselves on paper versus orally.

Meet part of the Team!

Meet our AIEO!

My name is Kirsten Mulholland, and I am 31 years of age. I have been working at Warnbro Community High School as the AIEO (Aboriginal Islander Education Officer) since 2018. I have a Noongar/ Yamatji background and love to share my culture with my students, colleagues, and wider community.

I was born in Pinjarra and raised in the Rockingham area, better yet graduated from WCHS in 2006. I went on to complete my Diploma in Community Services and found a passion in working with youth. As a part of my role, my goal and passion is to increase attendance and educational outcomes for Indigenous students.

Indigenous Programs that are available within the school are:

- Moorditj Yorga's
- Deadly Marmun's
- Follow the Dream

Fun Fact: I have owned multiple businesses with my husband and my proudest achievement to date was becoming a Mum to my two beautiful children.

Meet our Chaplain! (Thurs-Fri)

Hi everyone, my name is Feranmi! I'm 23 and I'm the new chaplain here at Warnbro Community High School, on Thursday and Friday!

I've been working with young people for the last 6 years as a volunteer in a youth ministry and I now have the privilege of working at this amazing school. I believe that an individual's teenage years are so crucial that having support and someone to talk to is so beneficial.

I had people who cared for me, and I now can do the same here! It is so important that young people know that they are supported when it comes to their time in school, which is why I'm here.

I endeavour to create a safe space for students while making sure they know that they are valued, that they have people that care about them and that they have a purpose.

Volunteer Legends

On Sunday 28th of March, four of our WCHS students volunteered their time to one of our local primary schools – Port Kennedy Primary School – assisting at their annual fete. They assisted the coordinators with supervision at the inflatables, moving furniture in setup and pack down, they monitored activities being run by the school P&C. It is a testament to our students that they committed their time on a Sunday and throughout their time they demonstrated our school 3B's – Be Responsible, Be Respectful and Be your best.

Well done to Lachlan, Charlotte, Emily (all ex PKPS students) and Jennifer for supporting our local primary school and for being great Warnbro Community High School Ambassadors.

In the photo are Charlotte, Emily and Jennifer – Lachlan was busy supervising the jumping castle at the time of the photo.

Throughout Term 2 we have had the pleasure of having Sergeant Gary Benzies come in to talk to our students about the ThinkUKnow program where the following subjects are discussed:

- Protecting your information online
- Overcoming online challenges
- Real police case studies
- Getting Help

Sergeant Gary Benzies will be visiting Warnbro CHS students often throughout the year.

KIC iWomen and iMen Project

On Monday 24 May 2021, we had two Year 10 students graduate from the Kwinana Industries Council 2021 iWOMEN Project: Ruby and Shamisa.

Congratulations girls, we also received such positive feedback from the staff at KIC:

"Your two girls were awesome on the program and they did a fantastic job. They are a real credit to your school, thank you for selecting them to be on our program."

Wednesday 9 June was the first day of the 2021 KIC iMEN Project. Year 10 student, Brodie, was selected by Warnbro CHS to participate in the 7 day program being held during Term 2.

The program is aimed at students who will choose a VET pathway in years 11 and 12. Successful students will graduate and gain a C grade towards their WACE as the program is endorsed by SCSA.

Try-A-Trade

15 of our Year 10's participated in the Try a Trade Bricklaying & Rendering at South Metro TAFE.

These students will be following the building and construction pathway through Year 11 & 12 in the Industry Links program.

Congratulations, all the feedback from your lecturers was positive and you have done yourselves and the school proud.

Good Luck with the next stage in developing future pathways.

The results are in...

Here are the results from the Year 9/10 Winter Carnival we participated in on Wednesday 9 June and Thursday 10 June.

Basketball:

Our A division team won 5 games out of 6. Taking them through to the grand final which they won against Pinjarra SHS. And our B division boys came 3rd overall.

Soccer:

Our mixed B team secured 3rd and just lost out on playing for the 1st and 2nd place due to another team drawing in one of their matches.

Netball:

We entered a B division girls team who came 4th overall.

Touch:

Our mixed B division team won 2 games and drew 1 out of 6. Making them 4th overall.

All students were very well behaved and represented the school in a positive manner. I've attached some photos of the basketball teams.

Yr 11 & 12 Arts Gala

On Thursday 20 May the WCHS Senior Arts students prepared for their Year 11 and 12 Arts Gala. There was an all day rehearsal for Drama and Music students to rehearse with lights, sound and costume while Visual Art works were set up in the Gallery space. An audience of friends, family and WCHS staff joined to celebrate the works and support our Arts students on their night. In addition to showcasing our Arts students, we also highlighted the skills and services of the Hospitality students and staff who supplied a fantastic array of light refreshments to enhance our exhibition of student work, replicating the industry standard for students.

Year 7 Adventure Recreation Camp

On the 18th of May, an excited Year 7 Adventure Recreation group embarked on their first expedition to the Perth Hills Discovery Centre. Forecasted storms turned into blue skies, giving us perfect weather conditions all week.

Students were tested when they planned a hiking route before using their communication, teamwork and navigation skills to successfully reach their destination. With fatigue well and truly set in, the group decided to soldier on instead of heading back to camp. Everyone's spirits were lifted when we reached the lookout, with some saying it was the highlight of the trip.

Another highlight was the wildlife encounter, where we got up close and personal with fostered joeys, possums, cockatoos and an echidna named Lulu. The experience was extremely educational, with students asking many questions and enjoying their joey cuddles.

New experiences, bonds and memories were the perfect combination for a first trip. I can't wait to see the group continue to improve and harness their skills over the rest of the year.

- Miss Kennedy-Baxter

Year 8 Adventure Recreation Snorkelling Camp

The Year 8 Adventure Recreation camp took place at the Marmion Marine Park, the students got to enjoy some of Perth's excellent snorkelling sites. Other activities included; a night-time underground challenge course, a visit to AQWA and some pretty competitive volleyball matches. A student wrote this poem about the camp:

The Frights of the Night Poetry

Twenty-two children from Warnbro went on an expedition with an explorer.

They jumped in a bus with no rush or fuss, and ended up near Hillary's Boat Harbour.

So they went snorkelling in the water, they really know they ought to,

Stay away from the shark, Darcy saw it and said FFFFFFFFFFFFFFFFFudge...

Back to the camp they went, to set ups their tents,

A massive tranguia fire at night, it gave us a fright, but dinner was still cooked despite of the fright.

Once it got dark, we went caving and lucky no one made a spark,

Because a little pppffft was heard, luckily nothing was observed.

Year 10 Adventure Recreation Expedition

The expedition took place on the Blackwood River, it was four days and three nights in duration. The expedition focused on developing and exercising leadership skills, with the students planning and running the expedition. Each day was led by a different group of students. Each group has summarised their day.

Day 1

Ruby, Jayden, Nyamo and Josh

The Year 10 Adventure Recreation class packed for a four-day expedition in the South-West Region. We met at lunchtime and packed the busses, gear trailer and kayak trailer. It was a three-and-a-half-hour bus trip to Warner Glen Campsite. We kept the group challenged and entertained with games and activities that helped pass the time. It was getting late when we arrived, so we set up camp and ate dinner. We ended the night with a fun game called Advertisement, where you must create an amazing story or advertisement to sell what would normally be a fairly boring item.

Day 2

Rochelle, Crystal, Freya and Jaxon

We woke up at 6:30am and packed up the campsite. We drove both busses to Alexandra Bridge Campsite, where we had hoped to be staying the night. After a discussion with the Teachers, we decided that it was too busy there and we would be better off loading up the kayaks at the end of the day and staying at Hamelin Bay instead. We left one bus at Alexandra Bridge and drove the other back to Warner Glen so we could start our 17km paddle on the Blackwood River. The weather was fairly cold but the conditions were perfect for paddling, sometimes there was a light tail wind but often the water was like a mirror. We stopped for lunch at a nice corner of the river, a farmer conveniently had a large fire burning some fallen trees, it provided us with some much needed comfort. After about four hours we made it to Alexandra Bridge, packed up the kayaks, collected the other bus from Warner Glenn and made our way to Hamelin Bay. We set up camp, cooked a nice warm meal and enjoyed a nice camp fire.

Day 3

Caitlin, Leah, Kade and Kody

The original plan was to Kayak from Alexandra Bridge to Molloy Island Hideaway, but the weather conditions were not suitable, a strong headwind would have made it nearly impossible. We decided that it was possible to paddle from Augusta to Molloy instead, but this would be a challenging paddle. We decided to make it a challenge by choice and split into two groups. Those that wanted to head to the campsite via bus and could participate in games of Big Brother that we would run for them. Jaxon, Nyamo and Jayden felt up to the challenge of the paddle with Miss Mellor and Mr Stevens. They successfully completed the paddle and found a great spot for lunch along the way. The weather was very windy and cold that night, we made a big campfire to keep us warm, debriefed and went to bed.

Day 4

Sam, Sethunya, Shamisa and Jayden

We woke up at 6am and packed up as the sun was rising. We then started the 2 hour drive to Forrest Adventures to complete the high ropes course. The courses ranged in difficulty, so everyone was able to challenge themselves at the level they needed. The activities were anywhere from 10m to 40m above the ground and included; ziplines, ladders, rock climbing, giant swings, riding a bike on a wobbly platform and a whole range of balancing activities. The visit at Forrest Adventures lasted 2 glorious hours.

We then headed to Eaton for lunch. To earn our lunch, we had to create and sing a song about our class that lasted for 67 seconds, we made it and practiced while we were on the bus and gave the people of Eaton a great show, according to Mr Stevens anyway.

After lunch we returned to WCHS, unpacked and the expedition had officially concluded.

YEAR 11 AND 12 OUTDOOR EDUCATION CAMP

On Monday the 3rd of May the Year 11 General Outdoor Education and the Year 11 & 12 ATAR Outdoor Education students headed off on a 2-night 3-day expedition to the Southwest Region. The adventure started with a trip down to Point Picquet for some Snorkeling and to Alexander Bridge for some Kayaking. The students had a chance to see a variety of different underwater creatures and experience a peaceful kayak down the river.

The second day students hiked approximately 19km from Prevelly to Contos via the Cape-to-Cape track. Luckily, students experienced no rain and had a scenic walk on different terrains. Students camped in individual tents to follow COVID-19 requirements and cooked a variety of meals on the Trangia's.

On the last day, the Year 12 ATAR students had a chance to catch some waves and surf at Augusta River mouth, while the Year 11 ATAR & General Students got to experience a fun and exciting High Ropes course at Forest Adventure. Overall, the expedition was a huge success with students being able to challenge themselves in different activities and get some experience in the outdoors.

EARLY BIRD PRIZE DRAW

We have three lucky winners who have received a refund of their Charges & Contributions for 2021

Mrs Reed - Deven, Year 7
Ms Oakley - Carolina, Year 8
Ms Sullivan - Jackson, Year 10

**Congratulations from
Warnbro Community High School.**

We would like to thank all our Parents/
Guardians who have paid their Charges and
Contributions in full.

ATTENDANCE MATTERS

Students are expected to be making their way to class on the first siren at 8:26am to start learning. All students are expected to attend school regularly and to be on time.

Being on time demonstrates respectfulness, and shows the development of skills required for the workplace.

The gates close at 8:30am, students arriving after this, will be required to sign in at Student Services.

**5 MINUTES PER LESSON
= 25 MINUTES PER DAY
= 125 MINUTES PER WEEK
= 1250 MINUTES PER TERM
= 84 HOURS PER YEAR**

BE ON TIME FOR SCHOOL

T.E.E. Intensive Exam Preparation Program

Our July holiday revision and exam preparation program is a unique opportunity for students to learn from W.A.'s most experienced ATAR teachers while attending lecture classes at the University of Western Australia. Students can live and breathe university life by staying at the University colleges for the week to further enhance their experience!

Study at UWA and revise for ATAR exams with The Exam Experts

- ✓ The best value for money ATAR revision program with W.A.'s top teachers.
- ✓ We help take the stress out of exam preparation.
- ✓ Live and study on campus.
- ✓ Receive structured and targeted teaching and course notes that are yours to keep.
- ✓ Revise course content and practise exam style questions before exams
- ✓ Learn exam techniques & strategies
- ✓ We have been specialists in Yr 12 study courses since 1987.
- ✓ Maximise your learning and your ATAR.

Venue: University of Western Australia, Crawley (UWA) Week 1, Monday 5th - Friday 9th July, 2021.

City of Rockingham

Tertiary Scholarship Scheme

Round Two 2021

Opens Friday 18 June 2021 | Closes Friday 9 July 2021

The City of Rockingham invites applications for the Tertiary Scholarship Scheme (TSS) from Rockingham residents aged 17 – 40 for funding towards obtaining a tertiary qualification.

There are two scholarship categories available:

- **Undergraduate University Scholarships:** Up to **\$10,000 per scholarship** equating to \$2,500 per year (\$1,250 per semester) for up to four years or upon completion of degree, whichever occurs first.
- **TAFE/VET Diploma Scholarships:** Up to **\$4,000 per scholarship** equating to \$2,000 per year (\$1,000 per semester) for up to two years or upon completion of diploma, whichever occurs first.

Applicant Eligibility Criteria - Successful applicants must meet the following eligibility criteria:

- City of Rockingham resident for a minimum of three years at the time of the application
- aged between 17 and 40 years
- an Australian citizen or permanent resident
- can demonstrate financial hardship (see definition in application package and/or guidelines)
- must provide a letter of offer or evidence of current enrolment at a nationally recognised University, TAFE/VET provider
- have a minimum of one full semester (six months) of study remaining from the TSS round closing date
- must be completing an Undergraduate University Degree and/or TAFE/VET Diploma for the first time.

For more information on eligibility and assessment criteria, scholarship categories and to download the application package visit rockingham.wa.gov.au/tss or contact the City on 9528 0333 or email customer@rockingham.wa.gov.au

Create With Clay

A free event for young carers aged 8-25 years

The Young Carers team are inviting young carers to get hands on with clay and creativity!

Little Paint Co will guide you through the slab and pinch pot techniques, where you will come away with 1- 2 platters (depending on size) and 3 - 4 pinch bowls. Challenge yourself with some relaxing and creative fun.

Limited spots available so get in quick!

When: Wednesday, 7th July 2021.

Group 1: 8 - 12 years | 10.00am - 11.30am

Group 2: 13 - 25 years | 12.30pm - 3.30pm

Where: Little Paint Co | 20 Claude St, Burswood, WA

Provided: Light snacks provided.

Please express your interest to attend by visiting the links below. RSVP before Wednesday 23rd June 2021.

Group 1: www.carerswa.asn.au/events/create-with-clay-1/

Group 2: www.carerswa.asn.au/events/create-with-clay-2/

For more information, please call Carers WA on 1300 227 377 or email: ycevents@carerswa.asn.au

www.carerswa.asn.au

Bowling at Rosemount Bowl

A free event for young carers aged 8-25 years

The Young Carers team are inviting young carers to step out in some bowling shoes and come and play a few rounds of ten-pin bowling! The team at Rosemount Bowl will be running some friendly competitions where you will be in groups of young carers your age.

No previous experience is needed, we encourage newbies to come and learn.

Limited spots available so get in quick!

When: Wednesday 14th July 2021 | 12.00pm - 2.00pm

Where: Rosemount Bowl | 464 Fitzgerald St, North Perth, WA.

Cost: This is a free event and food and drink will be provided. Please note that this is a non-alcohol event.

Please express your interest to attend by completing the RSVP form at www.carerswa.asn.au/events/bowling-at-rosemount-bowl/ before Wednesday, 30th June 2021. We may close the EOI early, however, any registrations after this date will not be accepted.

For more information, please call Carers WA on 1300 227 377 or email: ycevents@carerswa.asn.au

www.carerswa.asn.au

Let's Bounce

A free event for young carers aged 8-25 years

The Young Carers team are inviting young carers to jump into the school holidays! The team at BOUNCEinc will be running a series of games and activities over 2.5 hours of bouncing fun.

No previous experience is needed, just a can-do attitude!

Limited spots available so get in quick!

When: Friday 9th July 2021
| 9.45am - 12.45pm

Where: BOUNCEinc Cannington |
1371 Albany Hwy, Cannington.

Cost: This event is free for young carers. During the session, pizza and fruit platters will be provided.

Please express your interest to attend by completing the RSVP form at www.carerswa.asn.au/events/lets-bounce/ before Friday, 25th June 2021.

For more information, please call Carers WA on 1300 227 377 or email: ycevents@carerswa.asn.au
