

# WARNBRO COMMUNITY HIGH SCHOOL

## ADDITIONAL COSTS FOR YEAR 12 2020

In addition to the essential activities that are covered by Parent Contributions and Charges, a range of **optional** activities are planned for 2020. The school is unable to predict the exact cost of many of these optional charges. However, to assist parents' budget, the estimated costs are listed below. Teachers organising these activities will always aim to keep cost to a minimum. Participation in these activities is optional and students who do not participate will still be able to achieve all the desired curriculum outcomes.
